

DEMO HONG KONG LIMITED EMPLOYEE HANDBOOK - OVERVIEW

Document type: Company HR policy (sample)

Audience: All employees

Owner: People Operations

Effective date: 2026-01-01

Version: 2026.1

Systems of record: Company HR system (employee profile, time off, leave balances)

1. Purpose

This handbook summarizes standard company policies and how employees complete common HR actions in the company HR system / People Portal. It is designed so employees can self-serve routine questions instead of ticketing HR for the same answers.

Important

- This pack is sample content for local development. It is not Demo Hong Kong Limited legal advice and not a real customer policy.
- AI answers must cite the source section. Employees still follow manager / HR guidance when rules conflict.
- The assistant explains policy and steps. It does not submit transactions, approve leave, or change payroll.

2. Who this helps

Persona | Typical need

Employee | "What's the leave policy?" / "How do I update my address?"

People Ops / HRBP | Deflect repetitive Tier-1 questions with consistent, cited answers

Manager | Point reports to the same official steps

3. Channels

Need | Channel

Policy & how-to questions | HR Knowledge Assistant (this corpus) or People Portal FAQ

Personal case (exception, dispute, sensitive issue) | HR ticket / HRBP

System outage | IT Service Desk

Emergency wellbeing | EAP hotline (see Benefits policy)

4. Document map

Doc | Covers

02_leave_and_time_off_policy.md | Annual leave, sick leave, rules, blackout periods

03_how_to_request_time_off.md | Step-by-step time-off request in the HR system

04_personal_data_and_profile_policy.md | What employees may change; privacy rules

05_how_to_update_personal_info.md | Address, phone, emergency contact, bank details steps

06_hybrid_work_and_attendance_policy.md | Office / WFH expectations

07_how_to_submit_expense_claim.md | Expense claim steps and receipts

08_hr_contact_and_escalation.md | When to self-serve vs escalate to HR

5. General principles

1. Self-serve first for standard policy and standard transactions.
2. Cite the policy - do not invent entitlements.
3. Manager approval is required where the policy says so (e.g. leave, expenses over threshold).
4. No PII in public channels - do not paste ID numbers, full bank accounts, or medical details into chat tools.
5. Exceptions always go to HR - the assistant cannot grant exceptions.

6. Company basics (demo)

- Legal entity: Demo Hong Kong Limited
- Standard work week: Monday-Friday, 40 hours
- Primary HRIS: company HR system (People Portal)
- Leave year: 1 January - 31 December
- Probation: 3 months unless offer letter states otherwise
