During probation | Accrues but normally not taken unless manager + HR approve

Leave year | 1 January - 31 December

Carry-over | Up to 5 unused days into next year; must be used by 31 March or forfeited

Half-day | Allowed (morning or afternoon)

Minimum notice | 3 working days for ≤ 3 days; 10 working days for > 3 consecutive days

Peak / blackout | Last two weeks of December and major product release weeks may be restricted; manager may decline non-critical AL

Unused AL above carry-over is not paid out except on termination as required by Hong Kong Employment Ordinance and company practice.

2. Sick leave (SL)

Item | Rule

Paid sick leave | As per Hong Kong Employment Ordinance entitlements after qualifying service

Medical certificate | Required for 2 or more consecutive calendar days, or any day adjacent to a public holiday / AL if requested by manager

Same-day notice | Notify manager before start of shift (or as soon as practicable) and log absence in Time Off within 24 hours

Hospitalisation | Separate paid sick leave balance may apply; contact HR for long-term cases

Do not use annual leave to hide illness if you are unwell and eligible for sick leave.
